

Def Leppard - All I Want Is Everything

Bm A Bm A
I don't know how to leave you, and I don't know how to stay

Bm E G A
I got things that I must tell you, that I don't know how to say

Bm A Bm A
The man behind these empty words, Is crying out in shame

Bm E G A
Holding on to this sinking ship, where nothing else remains

D A Em Bm
All I want is everything, am I asking too much

D A Em Bm
All I want is everything, like a feel of your touch

C G D
But all I have are yesterdays, tomorrow never comes

Bm A Bm A
It's hard to hold your head up, when you're kneeling down to pray

Bm E G A
And talking don't come easy now, when the words get in the way

Bm A Bm A
And if you could see what's goin' on, behind these private eyes

Bm E G A
The truth would look so easy now, but I'm running out of lies

D A Em Bm

All I want is everything, am I asking too much

D A Em Bm

All I want is everything, like a feel of your touch

C G D

But all I have are yesterdays, tomorrow never comes

 D A

You think the shadow of doubt is hangin' over my head

 Em Bm

It's just an angel whose wings hide the sun

 D A

And it's myself I betray I cannot wish this away

 Em Bm

Took my chance now the damage is done

D A Em Bm

All I want is everything, am I asking too much

D A Em Bm

All I want is everything, like a feel of your touch

C G D

But all I have are yesterdays, tomorrow never comes
