Hey Jude chords

The Beatles 1968 *

Capo III

[Verse]

```

      D          A          A7          D
Hey Jude, don't make it bad, take a sad song and make it better
      G          D          A          A7          D
Remember to let her into your heart, then you can start to make it better

```

```

      D          A          A7          D
Hey Jude, don't be afraid, you were made to go out and get her
      G          D          A          A7          D
The minute you let her under your skin, then you begin to make it better

```

[Chorus]

```

D7          G          Bm          Em          A7          D
And anytime you feel the pain, hey Jude, refrain, don't carry the world upon your shoulders
D7          G          Bm          Em          A7          D
For well you know that it's a fool who plays it cool by making his world a little colder

```

[Interlude]

```

D          D7          A7
Da da da da da da da da

```

[Verse]

      G          D          A          A7          D
Remember to let her into you heart, then you can start to make it better

```

[Chorus]

```

D7          G          Bm          Em          A7          D

D7          G          Bm          Em          A7          D
